I'd like to give you a five-minute debrief of the meeting with HudBay yesterday, and a copy of the materials they used. Mike would like to send an email to Dave Ross of their materials (to which I'd add ours), as they'll be meeting at ECOS next Tuesday/Wednesday, and he wants to give him a heads-up of the October Corps decision and implications for EPA.

I've asked Linda Moore to scan the pages of the HudBay materials. I'll add our July 12 briefing paper and the more recent one-pager entitled "Hudbay may raise the following".
